

## **Notice of Race Amendment #4**

**CORW NOR 1.5 is amended as follows for SoCal 300 competitors only.  
Delete NOR 1.5 and replace with:**

Racing rule 40 is deleted and replaced with: “All competitors are required to wear lifejackets that comply with the MOR (33.7 pounds of flotation, or greater inflatable or USCG type 1) between sundown and sunrise.” Flag Y will not be displayed.

In addition, the Organizing Authority encourages all competitors to properly wear life jackets and safety harnesses connected to the boat any other time conditions warrant. The person in charge is responsible for establishing exactly when and precisely how this request is followed.

Competitors are reminded to review SoCal 300 Sailing Instruction 17.1 regarding the “...complete and unlimited responsibility of the person in charge...” with respect to safety requirements.
